## Article 1 - General

---

1. The rules contained within this document are valid for all Football West competitions with the exception of the National Premier Leagues unless otherwise specified.
2. Where a rule in this document appears to conflict with a rule in an Annexure, the rule in the Annexure takes precedence.
3. Football West may alter, add to, clarify or delete any of these rules at its discretion. Any changes to these rules will be communicated to clubs.
4. Football West may investigate any alleged breach of these rules regardless of the source of the alleged breach. Whether a matter is investigated or not is entirely at the discretion of Football West.
5. A participant breaching any of these rules or those of the accompanying Annexures is liable to a penalty. Whether a penalty is imposed or not, or whether a penalty is reduced or varied is at the sole discretion of Football West. Football West reserves the right to issue a warning for any breach of a competition rule prior to the imposition of any penalties, but whether a warning is issued is at the sole discretion of Football West.
6. Where a penalty is not specified in these rules, Football West reserves the right to use its discretion to determine and impose a penalty.
7. In the case of a rule being interpreted in two or more different ways, Football West reserves the right to determine which interpretation is valid. Any such determination is final.
8. In the case of a circumstance not being governed by these rules, Football West reserves the right to make a ruling on that circumstance. Any such ruling is final.
9. A club may apply for an exemption to these rules where it can demonstrate that exceptional circumstances exist. Football West will consider any application and determine whether or not the circumstances are exceptional. Any such determination is final and not subject to any further challenge.
10. Clubs may not display any national flags, slogans or emblems (except for the Australian flag) in any areas outside the clubrooms.
11. Football West reserves the right to request the removal of any national flags, slogans or emblems at any time. Refusal to comply with any such request may result in disciplinary action.
12. Football West may, from time to time, organise matches outside the normal league and cup season between the winning team of any division and another team from Western Australia, another Member Federation or another National Association. It is a condition of entry of Football West competitions that if such a match is organised, the team chosen MUST participate in that match.

Penalty for Breach

## Article 2 - Matches

---

1. Football West matches must be played in accordance with these rules, the accompanying Annexures and the Football West Match Scheduling Policy.
2. All Football West matches must be played on grass or an artificial surface that has been approved in writing by Football West.

3. The venues, dates and times of matches will be fixed and published by Football West as soon as practicable prior to the commencement of each season, and except as otherwise provided in these rules, matches will be played at those venues and on those dates thus fixed.
4. A club is required to participate in its allocated matches unless otherwise specified in these rules.  
**Penalty for Breach** **Forfeit**
5. Football West reserves the right to change the date, time and venue of any match. Football West may consult with and take into account any representations made by the clubs participating in the match in question, and with any other club or clubs which may be affected thereby before doing so.
6. In the event that a team is not ready to commence the match within 15 minutes following the scheduled kick-off time, the match may not proceed.  
**Penalty for Breach** **Forfeit**
7. A match may be played wholly or partly under floodlights if the floodlight installation has been approved by Football West as suitable for the conduct of matches.
8. In the event of inclement weather, clubs are obliged to ensure that all reasonable steps are taken in order that the scheduled matches may proceed.
9. In the event that a match is ended in a manner inconsistent with the Competition Rules, for example by extra time rather than proceeding directly to kicks from the penalty mark, or vice versa, Football West reserves the right to allow the match result to stand, as long as the match was concluded in a manner consistent with the FIFA Laws of the Game. If allowing the match result to stand would result in unfairness, the entire match will be replayed. The decision of Football West in these circumstances is final and cannot be challenged.
10. It is the responsibility of the home club to enable the ground inspection to be carried out by the referee.
11. Nets affixed to goalposts must be used in all Football West matches. The referee must not allow the match to proceed without nets.
12. The club named first in any match is deemed to be the home team regardless of the venue at which the match is played.

### Article 3 - Postponed, Delayed or Abandoned Matches

---

1. A match may not be postponed, delayed or abandoned except:
  - a) on the instructions of the referee; or
  - b) by order of the police or other authority exercising its statutory powers to that effect; or
  - c) on the instructions of or with the prior written consent of Football West.
2. If the appointed referee postpones, delays or abandons a match, he must, within 30 minutes of making such a decision, inform:
  - a) The home club;
  - b) The visiting club; and
  - c) The Referee Allocator.
3. If a match does not commence for any reason on the scheduled date of the match, without having been rearranged with the approval of Football West, it is the responsibility of the

allocated referee to notify Football West. Should no referee be allocated by Football West, the responsibility rests with the home club.

4. A match postponed in accordance with paragraph 1 may only be replayed at a date and time mutually agreed by both clubs except in the circumstances specified in paragraphs 6 and 7. The details of the rearranged match must be communicated to Football West at least 3 business days prior to the match.
5. If a club requests the postponement of a match, Football West reserves the right to require that an alternative date, time and venue are agreed before any such request is granted.
6. If a match is postponed in accordance with paragraph 1, and the clubs involved are not able to reach an agreement as to when the match will be played, Football West will determine the date, time and venue of the match and any such decision is final. If the rescheduled match incurs a cost, Football West may pass on that cost to either one or both clubs depending on the circumstances which led to the postponement.
7. If a postponed match cannot be rescheduled in accordance with paragraph 6, or cannot be completed for any other reason, Football West reserves the right to declare the match a 0-0 draw.
8. A club or participant found to have caused the abandonment of any match, will be sanctioned in accordance with the Disciplinary & Grievance Regulations and will forfeit that match.
9. If a match is abandoned prior to half time, then the match will be replayed, unless, in the opinion of the referee, one of the participating teams caused the abandonment of the match or unless otherwise specified in these rules or accompanying Annexures.
10. If a match is abandoned at half time or after the commencement of the second half, then the score at the time of the abandonment of the match will be deemed to be the match result, unless, in the opinion of the referee, one of the participating teams caused the abandonment of the match.
11. Paragraphs 9 and 10 do not apply to the MiniRoos League. Abandoned matches in the aforementioned league will not be replayed under any circumstances. Where results are recorded by Football West, the result will stand as it was at the time of the abandonment.
12. If a match is abandoned, and that match is one in which the outcome must be that one of the teams must be declared a winner on the day, for example a knock out cup match, and at the time of the abandonment scores are level, then that match will be replayed in full, unless in the opinion of the referee, one of the participating teams caused the abandonment of the match.
13. An abandoned match that is to be replayed may be arranged at a mutually convenient time and venue by the participating clubs. Football West must be notified in writing of the date, time and venue of the rescheduled match at least 3 business days prior to the rescheduled kick-off time.
14. If an abandoned match cannot be rescheduled through mutual agreement, Football West will determine the date, time and venue of the match and any such decision will be final. If the rescheduled match incurs a cost, Football West may pass on that cost to either one or both clubs depending on the circumstances that led to the abandonment.
15. If an abandoned match cannot be rescheduled in accordance with paragraph 14, Football West reserves the right to declare the match a 0-0 draw. If the abandoned match is one in which the outcome must be that one of the teams must be declared a winner, Football West reserves the right to determine the outcome of the match using any method it chooses.

16. A match that is normally played between teams of 11 players may not continue if either team is reduced to fewer than 7 players.

3. A team which forfeits three consecutive matches or any four matches may, at the discretion of Football West, be deemed to have withdrawn from the competition.
4. In circumstances in which both teams participating in a match commit offences which carry the sanction of a forfeit, Football West reserves the right to declare the match played, and award each team zero points and zero goals, or if that match occurs in a knockout competition, disqualify both teams from that competition.
5. In circumstances in which a team is retrospectively penalised with forfeiting a Match, all Match data resulting from the Match will be retained. These data include, but are not limited to:
  - a) Goals scored;
  - b) Fairest and Best votes;
  - c) Substitutions;

A referee arranged by the home club in accordance with these rules in the absence of an officially appointed referee assumes the same powers and responsibilities as an official referee for the duration of the match. A match official who was not officially appointed to a Match by Football West is not entitled to payment, but may request payment from the club(s) that are normally responsible for the payment of match officials. It is at the discretion of the club(s) involved as to whether to make such requested payment.

officials with integrity in an independent and purposeful manner. Private or personal interests include gaining any possible advantage for himself, his family, relatives, friends or acquaintances.

8. A club which believes that a match official has an actual or perceived conflict of interest may report the matter to Football West and if the club chooses to report it, must detail the reasons for the alleged conflict. Any reports of alleged conflict which do not contain the reasons for the allegation will be dismissed immediately.
