

Football West Referees Department

2018 Sunday Senior Appointments Process

Sunday Amateur Leagues & Women's State League appointments will be sent out through Schedula at 3pm on Tuesday afternoons and must be confirmed on schedula.

Metropolitan Leagues & Masters Leagues will be emailed their games by spreadsheet initially on Tuesday afternoons each week. You will be allocated one game each. Once you have received the spreadsheet, you can reply, by email only, with any nomination for **one other game** you can officiate in those leagues.

Nominations will cease at 9pm Thursday when the games will be logged into schedula.

Referees availability for the upcoming weekend must be entered into Schedula by:

Sunday League (Amateurs)	8.00pm	Sunday
Women's Leagues	8.00pm	Sunday
Metropolitan & Masters	6.00pm	Monday

Game Nominations

All game nominations must be by **email** to ensure that they are dealt with in order received.

If the game you have nominated for is available you will receive a "Confirmed" response if the game has been taken you will receive a "Sorry that's gone" response or an alternative game option.

If you have not received a "Confirmed" response the game has NOT been allocated to you, in which case you should contact the appointments officer by phone.

Dave Collier **Mobile: 0407 511 071**

Referees that are appointed to Sunday League Reserve games on Divisions One to Four have the option of staying to do the line on the main game or nominating for another game in the Women's, Metro, Masters or Junior leagues. Those appointed to Premier Reserve games must stay to perform AR duties on the main game.

Officials who are panelled for senior games will not be appointed to any junior games in the first instance. This is to allow all of our referees who only officiate Junior games to have the same opportunity to receive appointments on a regular basis.

The full list of appointments (both seniors and juniors) will be sent out to all referees on Friday afternoon. If you wish to be appointed to any vacant games (senior or junior) then you can **email** your requests to the Appointments Officer.

The appointments Officer will not be contactable by phone or text during this period to ensure that all requests are completed in order of arrival.

Please acknowledge that you have read and understand this procedure to the email address below.

Referee Appointments Officer.
