

Go to the PlayFootball website by clicking [here](#).

Alternatively, type **Football West Referees – Perth Metropolitan** in the search bar at <https://www.playfootball.com.au/#searchModal>

Registration Process

1. Both new and existing referees will need to create a Football Account. If previously registered in 2018 or earlier, create a Football Account **using the email address linked to your FFA number** (if you have one) and verify your email address.
2. Log in to your new account and select the previous account you registered with by selecting “Me” (this will carry over your contact details and personal information from the previous registration system). If you have not registered previously using an FFA number, then skip this step.
3. Select Registration Package – **please see below for more information on available packages**
4. Referees registering before the end of March may select “Referee ID Card” as an add-on item. Football West will then print an ID card to be used for free entry into Football West sanctioned fixtures. Update your shopping cart after you have selected this option to confirm that it has been selected.
5. Review and update your contact details and personal information to ensure that they are accurate.
6. All referees must upload a passport-style photo – if you have selected an ID card then your uploaded photo will be printed on the card.
7. All adult referees will be required to enter details of a Working with Children Check (Card Number and Expiry).
8. Read and accept all terms and conditions including the Match Officials’ Declaration.
9. Make payment online via Credit Card and submit your registration for approval.

Your registration is now complete

- Your registration will now be listed in the system as “Pending Approval”. Once your registration has been approved by Football West, you will be notified by email. If your registration is declined for any reason, you will be contacted directly.
