Chairman's Report

I am pleased to once again present the Annual Report for the 2009/10 period as Chairman of Football West which will also be my final report to members as I have decided to stand down from the Board effective from this year's Annual General Meeting.

The 2009/10 year has been extremely successful on a number of fronts.

As you will see from the financial statements following, I am pleased to report that we have made substantial inroads in turning the financial position of the company around, and under the stewardship of our Finance Director, Liam Twigger, we have recorded a modest surplus which we wish to reinvest back into the development of the game.

Other success has been achieved across the key areas of our business, with some of the highlights detailed below in the departmental sections.

Game Development

It has been a productive year for the Game Development Department, which has continued the steady progress of the last five years and placed us in a strong position where we can look forward with confidence to the next five years. A key performance indicator of this development was the recent success of our Under 15 State Boy's team in winning this year's National Youth Championships in Coffs Harbour – the first such achievement in over 24 years for our state.

Community Programs have continued to grow with the now firmly established Harvey Fresh holiday clinics attracting hundreds of players (with a record turn out in July) and the Futsal Development Program now operating across four terms at several centres. Nearly 300 players have benefited from this Futsal program which continues to assist players obtaining the skills necessary to excel in the outdoor format.

We also welcomed the appointment of Cris Ola and Jamie Harnwell as Development Officers which has seen an increase in direct services to clubs – at this stage only in limited Metropolitan Zones, but nevertheless a positive step forward in bringing the FFA National Curriculum to the grass roots level as Optus Small Sided Football is targeted. Football West will look to expand upon this service in the 2010/11 season.

Our 'Inclusive' programs go from strength to strength and with substantial government funding and the subsequent full time appointment of Gordon Duus to oversee this growing area the future looks bright. Highlights for the year include another successful Multicultural Games 'Footy with the Fuzz' program which won a number of industry awards. Local coach Asefa Woldermariam took out the FFA's Community Coach of the year award after receiving the WA nomination for his excellent work with emerging migrant communities. Disability and Indigenous programs have also expanded and will also be areas of increased activity in the future.

The FFA revamped the Community Coach Pathway and the past year has seen a full roll out in the state as we continue to provide opportunities to our coaches. Almost 500 coaches have attended courses this year and a total of over 3000 coaches are currently on the database – a substantial increase from the 279 coaches that were recorded in 2005.

The growth in both the quantity and quality of Football West's High Performance Programs continues with nearly 300 young male and female players in the High Performance Centre between the ages of 9 and 14 years. This program provides a solid grounding for our State squads and the outcomes of this program will be witnessed in the not too distant future years. Perhaps more important however is the recognition at National Level with WA consistently 'punching above our weight' for both females and males – with Western Australian youngsters continuing to reach underage national squads in high numbers, well above the percentage of WA's

contribution to the national total player numbers. Additionally, The National Training Centre and Western Australian Institute of Sport Programs, in addition to our State programs, are greatly respected throughout the Country as being a leader in the provision of programs to elite players.

Other highlights include the conduct of the inaugural U13 International Challenge in January, featuring four representative teams, the U15 Boys invitation to the Gangjin tournament in Korea, and South West Academy of Sport graduate Callum Richardson captaining the National All Stars team at the U15 National Youth Championships.

Regional

The 2010 QBE Country Week event was the largest ever with 48 teams and more than 780 players. This week long tournament continues to expand and proves a valuable opportunity for the continued development of our regional players.

We continued many of our development programs and activities throughout the various regions in 2009/10 and this will be a major area of focus for the business in 2011 and beyond.

Competition and Registrations

In 2010, participation was recorded on the FFA's National Registration Database as 32,004 players which was down slightly on the 2009 season. The flow on effect of the global financial crisis still seems to be having an effect on football participation at the grass roots level however we hope to see some improvement in next season's numbers.

In 2010, the Public Schools Association joined the Football West family and we are pleased to have them on board and look forward to their continued involvement.

The Allflags Finals Series was again a success in its second year with a repeat of the 2009 grand final with Perth SC facing up to Western Knights. Perth SC was again victorious this time winning 3-1.

The State League Review implementation grew closer to fruition with several clubs indicating their intention to enter into negotiations to upgrade their facilities.

The Sunday League Premier Division was closely contested but Shamrock Rovers prevailed by 4 points and exercised its option to enter the State League in 2011 at the expense of Queens Park. Division One was won by South Perth United with Whitford City also gaining promotion to the top flight. Whitford City completed an incredibly successful year by also winning the Sunday League Cup, beating Olympic Kingsway from the Premier Division in the final, 2-1.

Forrestfield United clinched the Metropolitan League title, with Inglewood United and Balcatta proving too good in the Masters' and Women's Leagues respectively.

The Competitions Department continued its management of the Perth Glory Women's team in the Westfield W-League. The team had an improved performance in season two with the addition of Matildas striker Kate Gill to its ranks. As in season one when Marianna Tabain was awarded the League's Goal of the Year prize, so too in season two was Sam Kerr awarded that prize along with the Player's Player of the year award. Kerr capped off a fantastic 2010 when she was named the FFA Under 20 Footballer of the Year Award at a gala ceremony in Sydney.

In another competitive year for the Junior League, the premier divisions were won by ECU Joondalup (13s),

Stirling Lions (14s), Noranda (15s), Cockburn City (16s), Heathridge (Girls 13s), East Fremantle (Girls 15s) and Melville City (Girls 17s).

Optus Small Sided Football was rolled out to one more age group – 10 year olds – and the rollout will be complete in 2011 when 11 year olds play the modified format.

The MyFootballClub registration system was significantly improved and is currently undergoing further improvements, and Football West is excited to be part of the national competition management system initiative involving Sporting Pulse for the 2011 season.

Refereeing

The past season has seen the number of Football West accredited match officials rise 11% to a total of 421 officials in the metropolitan area with the numbers steady at 45 in the regional centres. These increased numbers saw more games being covered with allocated referees at all levels of the game.

The ongoing 'RESPECT' program saw the delivery of the new 'RESPECT kits' to all junior clubs in the metropolitan area along with some regional centres also taking up the program. Overall the program has been well received and this has resulted in a decline in the number of yellow and red cards being issued in games. Football West will continue to evaluate these results in 2011.

Over the past twelve months, staff of the Referees Department visited the regional areas of Newman, Kalgoorlie and Bunbury and had contact with all the other regions including Albany and Geraldton.

Final touches are being put together for the delivery of an on-line referees course - a first in Australia - to commence in January 2011. This on-line course will not only help our accredited referees but also be a valuable tool to assist the many club referees that volunteer their time to referee matches each weekend.

Football West referees continue to be well represented at all levels in the FFA national competitions.

Marketing, Commercial and Events

There were a number of successful events in the 2009/10 season including the 2009 Gold Medal Dinner in November which saw the Burswood Casino play host to over 620 people in WA football's night of nights. Western Knights star midfielder David Micevski walked away with the Gold Medal and a brand new Ford Fiesta from McInerney Ford.

The Sunday, Masters and Metropolitan League Awards Night was again held at Burswood Casino whilst for the first time ever, a Women's Awards Night was held with 200 persons in attendance to celebrate the women's game at the Tompkins Park Function. Other events throughout the year included the WA v Perth Glory Call to Arms Cup in support of the Cancer Council WA, a cocktail function to celebrate the 2010 FIFA World Cup, the Night Series Launch and various finals' matches.

It proved to be a year of stability for the organisation in regards to sponsorship and commercial partnerships. APB Modular, Schweppes Australia, Veto Sports and Select were welcomed aboard as new partners of the game and we hope for long lasting associations with them all. As the nation slowly recovered from the GFC, big dollars were hard to come by, especially at a grass roots level. With a restructure of the commercial area of the business happening throughout the 2010 season, the organisation is well placed to capitalise on its commercial opportunities and welcome new corporate partners in 2011.

Both the Football West websites again proved extremely popular with local football fans, with Football West TV again providing multimedia access to the best of our local game, with other states and territories implementing

similar initiatives in their areas. 2011 will see an overhaul of FWTV and the main website, in addition to an exciting new website development for referees and the laws of the game as well as a fully digital club registration and team management module that will assist clubs in their registration processes. Planning also commenced for the first ever Football West 'App' for smart phones which will roll out in 2011 and cement Football West's reputation as a technology leader in the industry.

Management

In May we saw the appointment of Peter Hugg as Chief Executive Officer of the company. He brings with him a wealth of international expertise to the sport in the West and will enable us to continue to progress the game to its rightful position as a market leader. On behalf of the company I would like to thank Mr Luke Martin who volunteered his services as Acting General Manager during the search for a new CEO. Luke also spent a number of years as a Director before his resignation in July. In thanking Luke for his service to the sport, I also acknowledge my fellow Board members both past and present for the time that they volunteer and the expertise and services that they contribute to the game. I also thank the office staff for their commitment and dedication to the organisation.

The game is nothing without volunteers who give their time and assistance to the successful running of our sport, and I would like to thank our thousands of volunteers for their dedication and ongoing support.

In closing, I would like to say that I have enjoyed my relatively short time with the company and the sport as a whole, and I wish all who are involved the very best in taking the game to further successes.

FOOTBALL WEST LIMITED
NOTES TO FINANCIAL STATEMENTS
For year ended 30 September 2010

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial report is a special purpose financial report which has been prepared specifically for distribution to members in accordance with the entity's constitution. The directors have determined that the Company is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the *Corporations Act 2001*, and the recognition and measurement requirements of the following applicable Australian Equivalents to International Financial Reporting Standards:

AASB 101	Presentation of Financial Statements
AASB 107	Cash Flow Statements
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 110	Events after the Balance Sheet Date
AASB 1031	Materiality
AASB 1048	Interpretation and Application of Standards

No other Accounting Standards, Urgent Issues Group Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(b) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less.

(c) Trade and other receivables

Trade receivables are recognised and carried at original invoice amount less a provision for any uncollectible amounts. An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off as incurred.

Receivables from related parties are recognised and carried at the nominal amount due.

(d) Inventories

Inventories are measured at the lower of cost and net realisable value.

(e) Property, Plant and Equipment

Each class of property, leasehold buildings, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Depreciation

Depreciation is provided on a diminishing value basis on all plant and equipment, at rates calculated to allocate the cost, less estimated residual value, against revenue over the estimated useful lives of the assets.

FOOTBALL WEST LIMITED
NOTES TO FINANCIAL STATEMENTS
For year ended 30 September 2010

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The depreciation period used for each class of depreciable assets is:

Major depreciation periods are:	2010
Plant and Equipment	3 to 5 years (20% or 30%)
Leasehold Buildings	20 years (5%)

(f) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that are transferred to entities in the economic entity are classified as finance leases.

Leased incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(g) Trade and Other Creditors

Liabilities for trade creditors and other amounts are carried at cost which is the fair value of the consideration to be paid in the future for goods and services rendered, whether or not billed, to the entity.

Payables to related parties are carried at their principal amount.

(h) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

(i) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(j) Revenue Recognition

Revenue from the sale of goods and services is recognised upon the delivery of the good or service except for revenue generated from referees.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Player registration and team entry fees are recognised at the time of registration.

All revenue is stated net of the amount of goods and services tax (GST).

(k) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

FOOTBALL WEST LIMITED
NOTES TO FINANCIAL STATEMENTS
For year ended 30 September 2010

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(l) Grants and Sponsorship Income

Grant and Sponsorship income is recognised in income when received from the granting authority. In order for the grant to be recognised in income, the following conditions must be satisfied:

- the entity must control the contribution or the right to receive the contribution.
- it is probable that the economic benefits will flow to the entity.
- the amount can be reliably measured.

If it is more than probable the contribution will be returned to the contributing authority then the grant contribution will be recognised as a liability.

(m) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(n) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the income statement over the period of the borrowings using the effective interest method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration is paid, including any non-cash assets transferred or liabilities assumed, is recognised in other income or other expenses.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

(o) Income Tax

Football West is exempt from income tax by virtue of Section 50 of the Income Tax Assessment Act 1997 (Cth).

DIRECTORS' DECLARATION
For year ended 30 September 2010

DECLARATION OF BY DIRECTORS

The directors have determined that the company is not a reporting entity and that these special purpose financial statements should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

The directors of the company declare that:

1. The financial statements, comprising the statement of comprehensive income, statement of financial position, statement of cash flows, statement of changes in equity, and accompanying notes, are in accordance with the Corporations Act 2001 and:
 - (a) comply with Accounting Standards as described in Note 1 to the financial statements and the Corporations Regulations 2001; and
 - (b) give a true and fair view of the company's financial position as at 30 September 2010 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
1. In the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors and is signed for and on behalf of the directors by:

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FOOTBALL WEST LIMITED

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Football West Limited, which comprises the statement of financial position as at 30 September 2010, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are appropriate to meet the requirements of the *Corporations Act 2001* and are appropriate to meet the needs of the members. The directors' responsibility also includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to the members for the purpose of fulfilling the directors' financial reporting requirements under the *Corporations Act 2001*. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001* would be in the same terms if it had been given to the directors at the time that this auditor's report was made.

Auditor's Opinion

In our opinion the financial report of Football West Limited is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 30 September 2010 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and complying with the *Corporations Regulations 2001*.
