FOOTBALL WEST LIMITED
CHAIRMAN'S REPORT
For the year ended 30 September 2011

Chairman's Report

It gives me great pleasure to present the Annual Report for the 2010/2011 period - my first as Chairman of Football West.

The 2010/11 year has been a successful one continuing on from recent years under the stewardship of our former Chairman, Kevin Campbell, whom I must sincerely commend for handing the organisation on in such a fine state.

As you will note from the financial statements that follow, we have continued to improve our financial position with a modest but handy surplus. Whilst a surplus is always nice, Football West is about much more than that. It allows us to trade through the lean times without the need for an overdraft facility. The breadth and extent of some of our various programs never ceases to amaze me.

Whilst on the subject of finances, the Board and I continue to be aware of the increasing cost of playing sport, and this season we were pleased to be able to put a freeze on the fees you pay to be part of the World game. We intend to do the same for the 2012 season, and for the third year in a row these fees will remain the same! This is due in no small part to the outstanding attention to detail by our Treasurer, Liam Twigger, now ably assisted by our Chief Financial Officer, Max Meikle who recently joined us from the Clontarf Foundation.

In being able to afford this freeze on fees, to grow the organisation and the many projects that we conduct currently and wish to implement in the future, I am pleased to say that both our sponsorship and grant levels have significantly increased, driven by the passion and commitment of our Chief Executive Officer Peter Hugg. We will continue to look for alternative means to fund our business activities and make sure that our sport is affordable to all. In this regard I congratulate the current State Government and the Department of Sport and Recreation for expanding the support to clubs and individuals that are struggling to pay annual fees.

2011 was a very important year for us in that we developed our new Strategic Plan for the 2011-2013 period. Through our vision of making **'the World game, our local game'**, we are re-aligning many of our activities under three crucial and inter-related pillars

- (i) Growth and Development
- (ii) Service Delivery and
- (iii) Advocacy and Positioning

With the support of the Department of Sport and Recreation and through the facilitation of local business strategist, Simon Bowen, we were able to convene three consultative workshops to draft and develop this important piece of work ready for the Board to formally ratify and adopt it, and in turn, distribute it widely to all our constituents.

One of our other major activities this season was the long overdue matter of formally recognising the many former Life Members that had been previously bestowed the award from the respective football bodies that existed prior to the formation of Football West. I was honored to be able to present Football West Life Member medals and Certificates of Inaguration to some 50 plus wonderful servants of the game at a pre-match function during our State League Cup Final day and it was quite moving to hear some of the stories of yesteryear. We intend to instigate awarding of life members annually to recognise those who make our game better.

Our relationship with organisations such as the FFA and Perth Glory has never been better and we benefit from significant amounts of services and financial support from both. I sincerely thank Frank Lowy (Chairman) and Ben Buckley (CEO) of the FFA as well as Perth Glory's Tony Sage, Paul Kelly and Ian Ferguson for all the assistance and support that they offer Football West and its staff.

The same can be said for agencies such as the Department of Sport and Recreation (including the Minister for Sport, The Hon Terry Waldron and his office), Healthway, WALGA, local councils and a number of other government authorities.

CHAIRMAN'S REPORT

For the year ended 30 September 2011

We are pleased that a number of our Standing Committees are fully operational and working effectively and efficiently, and we hope to be able to regenerate the Junior League Standing Committee before too long. My thanks and congratulations go to all our Zone Representatives and members of the various Standing Committees both for their nomination and subsequent endorsement at the March elections but also for their ongoing contribution to the sport.

Our successes in other areas of our business, are highlighted below across the various departmental sections of the organisation.

Game Development

The past season has once more been a very busy year in promoting the game especially amongst some very specific population groups.

With the support of Bankwest, Football West committed funds to initiate a girl's/women's program and engage a Manager, Women's Football to coordinate a number of specialist projects in this regard. I am pleased to say that girl's/women's football remains one of the fastest growing areas of our sport with more than a 16% increase in females playing the game over the past 12 months.

"Women's only" coaching courses, promotion of the Women's Football Development Fund and the restructuring of the Women's League are all initiatives that further time and resources will be allocated to. These have been very much driven by the Women's Standing Committee, they are to be congratulated for their enthusiasm and commitment. I was also pleased that our local young Matilda Sam Kerr was able to join us in being a Bankwest Ambassador for girl's football here in WA. Sam is a wonderful role model for our young up and coming players and I thank her for her agreeing to this important position.

Our support to the outlying regional areas has never been higher and for the first time, Football West has been in a position to provide a tangible commitment to supporting these areas with some specific programs. The South West and Peel regions were allocated financial grants. These funds enabled both Football Federation South West and the Peel Regional Soccer Council to employ professional administrators and other football development staff to help grow the game in their respective regions.

For other regions, regular visits by our Football West regional ambassadors, former Perth Glory legend and now full-time Development Officer, Jamie Harnwell and current Perth Glory women's captain, Tanya Oxtoby saw the townships of Broome, Geraldton, Kalgoorlie, Kununurra, Wyndham, Albany and Esperance (amongst others) benefitting. We are committed to these regional areas and intend to do more of this work in the future. I am also pleased that we were able to provide a financial contribution to a number of regional teams of junior players who will represent the State through some international tours.

Tanya's work in women's football is coupled with her role as coordinator of our Indigenous football program. This year she oversaw the selection of a team of 16 Aboriginal boys from Geraldton participate in the FFA's Indigenous Football Festival at Alice Springs and in a FIFA Grassroots course at the same time. As the FFA rolls out its national strategic plan for indigenous football, more will be done to support these exciting young players.

Our 'inclusive' programs continue to be something that we should all be proud of. The appointment of a full time officer in Gordon Duus late last year to oversee this area has already started paying dividends with the continued successful implementation of such programs as the WA Paralympic Football program, the innovative and extremely well received Equal Footing League, our association with the WA branch of Special Olympics, our Disability in Football Week as well as our regular Footy with the Fuzz and Perth African Nations Cup activities.

Our community programs continue to prove popular through activities such as the various school holiday clinics and futsal development programs reaching large numbers of interested and keen participants. One area that we remain committed to and have done a lot of work this season has been the community coach pathway, where several C

Licence courses have been conducted as well as 20 grassroots courses, four Junior Licence Courses, two Youth Certificate Courses, two Youth Licence Courses, one Senior Certificate Course and two Senior Licence Courses.

Thanks to the wonderful support of QBE, the annual QBE Country Week continues to break all records with more than 800 players from around the State descending on Perth. Having been present for the awarding of trophies I am continually thrilled to see the smiles and enthusiasm on the faces of all young participants - albeit after a hectic and tiring week of almost continuous football. Once again my thanks to our magnificent group of volunteers and in particular the Cockburn City Soccer Club for giving these country kids such a warm welcome and professional competition.

This year saw the conduct of the 2011 FIFA Women's World Cup and I was so pleased to be able to witness three young representatives of our state take to the pitches in Germany. Of course I am referring to abovementioned Sam Kerr, Collette McCallum and Lisa De Vanna, and it would have been a fourth had it not been for an unfortunate injury to Katie Gill. Well done Girls, you all did us proud!

Many of our younger emerging players, who either play in or have come through the National Training Centre, have gone on to bigger and better things either playing for the Perth Glory youth team, being chosen for scholarships at the Australian Institute of Sport in Canberra, or in the case of five wonderful young men, being selected for the 2011 FIFA Under 17 World Championships in Mexico. I also congratulate the likes of Rhys Williams, Chris Herd and Dylan Tombides for the success that they have had over the last twelve months - all fine representatives of their former clubs and Western Australia.

I am fully aware of all the discussions and debate that ensued following the FFA's directive and our decision to support the playing of the NTC squads in the All Flags State Premier League. Whilst I understand the many arguments and appreciate the rather dictatorial and hasty manner in which this was introduced, Football West does not shy away from our commitment to both the FFA National Curriculum nor our fundamental role in developing our best young talented players for the benefit of their own career, the quality of the game here in WA, or hopefully future national team representation. My final comment in this regard is to thank you, the clubs, for your cooperation and support in integrating the NTC teams into the League - I am sure in years to come we will see a four-fold return on our investment from this important program.

Home of Football

Progress continues to be made with our Home of Football project and we hope to be in a position to make some public comment of a general nature in the very near future. As is often the case for multi-million dollar developments, progress is not as fast as some people would sometimes like, but I can assure you that discussions are almost weekly with respect to possible funding sources and levels, potential venues and the design and make up of what the end facility will look like. Suffice to say that our plans are very exciting and remain at the forefront of our energies given we recognise the vital role that such a facility will play in the overall growth and professionalisation of our sport.

Competition and Registrations

During the 2011 season, our registered participants as recorded on the FFA's National Database increased from 32,306 in the 2010 season to 36,033 players - an overall increase of just over 11%. It is pleasing that we have reconnected with a number of pockets of our sport throughout the state and brought them back into the Football West family. Another significant contribution to this growth has been the welcoming addition of the WA Christian Football Association (WACFA) into our organisation. I have attended a number of WACFA functions and games through the year and it is particularly encouraging to see how they conduct themselves and contribute to our game here in WA. We will continue to work with WACFA to ensure their programs grow and develop.

I have a personal passion for growing School competitions. As we did with the Public Schools Association last season, we have worked hard with School Sports WA throughout the year and hopefully we will shortly be in a position to sign a Memorandum of Understanding between the two organisations to welcome a potential 10,000 additional

players who play for their schools in midweek competitions. This year saw an affiliation with IGSSA which is proving profitable for both organisations.

The All Flags Finals Series was once more a huge success with Perth SC winning the Grand Final for the third year running with a 7-0 demolition of Sorrento FC. Balcatta SC finished top of the ladder at the end of the normal season.

After many years of trying, Bunbury Forum Force won Division One and promotion to the Premier Division and Sorrento won the State 'Donate Blood' Cup 1-0 against Perth.

Other commendable achievements that should be recognised include:

- Southern Spirit won the MySolar Sunday League and Joondalup Utd won the Mysolar Sunday Cup Final 5-3
- In the Women's League, Northern Redbacks did the double (League and Cup) after a five goal thriller in the Final against Beckenham Angels
- Inglewood United won the double in Metropolitan Premier Division and Cup
- Inglewood United won the Masters Premier and Subiaco AFC won the Masters Cup
- Junior Boys Premier Divisions were won by Perth SC (13s), ECU Joondalup (14s & 15s), Balcatta SC (16s) and Whitford City (18s)
- Junior Girls Premier Divisions were won by Melville City (13s & 14s), Balcatta SC (15s) and East Fremantle (17s)

On behalf of everyone at Football West, I would like to congratulate all the above teams for their successful seasons, and indeed every team and player for the manner in which they have competed over year. There is still a long way to go before we can satisfactorily state that our 'Respect' campaign is being adequately embraced by everyone, however in general terms, the game is increasingly played in the spirit of 'fair play'.

The State League Review is now in implementation stage, with venue visits having been conducted and subsequent recommendations provided for all relevant State League clubs. Slowly but surely, and with the great support of the respective clubs, we have all come to the collective conclusion that there still remains a tremendous amount of work to do in the facilities area before we can be truly satisfied. Further, in the early part of next year we intend to embark on our next phase of the Review looking at important matters such as financial sustainability, containment of player wages, organisational structure and corporate governance, and coach education/licencing.

Refereeing

The number of people interested and willing to put up their hand to referee matches has increased over the last twelve months with 480 registered match officials now on our database.

In support of our match officials and their need for further education and guidance, Football West invested in an online refereeing course - an initiative that has proved so popular and successful that it has been adopted by the FFA who are now applying it nationally.

In July and August of this year, Football West conducted a number of highly successful workshops conducted by Ian Blanchard, the National Referees Manager of the English FA for our national, state and local referees, and as a positive sign, I am pleased to report that we have a total of eleven members on the FFA's National Panel for A-League, National Youth League and W-League matches. Of a pleasing note was our ability to send two female match officials to the Girl's National Youth Championships earlier this year.

Something that often goes unnoticed is the standing of some of our Football West staff at the national and international level and this season many of you would have seen our very own Mathew Cheeseman on the line at many A-League matches. Not so well known is the continued work that former FIFA World Cup Eddie Lennie still performs for both FIFA and the AFC, where he has worked at several World Cup and Olympic qualification matches

as well as a number of AFC appointments throughout the year. Just another mark of the unsung professionalism that is becoming a hall mark of our administration.

Marketing and Commercial

As previously mention, largely due to the drive and professional approach of our CEO Peter Hugg, but also individual Board Members and supporters, our work in the sponsorship area has gained momentum and we were able to introduce a number of new commercial partners to football and our organisation. We welcome Bankwest who came on board to support both our girl's/women's initiatives and referee's development programs, and MySolar who through our Sunday League also supports our Black, Gold and Green environmental project.

Other key partners of Football West continue to invest significant funds in the game and we thank All Flags Signs and Banners, QBE, APB Modular, Select/Kelme through Evolution Sports, Mclnerney Ford, Veto, Bam Creative and The Sunday Times. The support of such partners is much appreciated and vital to our overall growth and development. I thank them for their invaluable investment on our game.

Without doubt, the two biggest contributors from a financial perspective remain the WA Department of Sport and Recreation and Healthway. I am pleased to say that Football West has an excellent working relationship with officers from these two organisations and we remain committed to fostering this professional association and working towards both agencies' objectives which remain in line with ours.

An area that Football West has made significant investment over the past twelve months is technology and in particular using the latest technological advances to communicate with our members and the general football family. In mid-2011 we were the first football state federation to launch its own iPhone/iPad application and within weeks of it becoming available, its popularity and user friendly features was reaping immediate rewards.

Similarly, using the increasingly popular 'flip page technology' Football West launched Beyond 90. This monthly e-magazine was initially emailed to 19,000 subscribers, however the immense popularity and interest in the magazine saw this figure increase to more than 30,000 by the September edition. Again Football West will be using this as a base to progress a number of new initiatives in time for season 2012.

Earlier this year we migrated our competitions and fixtures process from a previous supplier to a system known as Sporting Pulse. Whilst this migration and the overall fixturing process was not without its flaws, we are confident that in the long run, this system will be prove invaluable both in financial terms and greater efficiencies and integration with many other areas of our business.

Once more we saw the crowning of a new Gold Medal winner with Marc Anthony of Cockburn City Soccer Club driving away a brand new Ford Fiesta from Mclnerney Ford at our 2010 Gold Medal Dinner at the Burswood Entertainment Complex.

The Sunday, Masters and Metropolitan League Awards Night was held at the Perth Convention & Exhibition Centre, with a Women's Awards Night also held at the same venue with some great support as we celebrated the achievements of all successful teams and individuals.

Management

This year saw the first full year of management of our office and its staff under the leadership of our Chief Executive Peter Hugg. A number of changes in the manner in which we do things have been made and will continue to be made as we drive change and progress, and service our members, players, other key constituents and the overall game better. I thank Peter and the office staff for their commitment and dedication to the organisation.

I would also like to take this opportunity to acknowledge and thank my fellow Board members who have remained incredibly supportive and committed to our many tasks at hand. The sport should be pleased that it has such a dedicated and hard working Board overseeing the organisation and the game as a whole.

FOOTBALL WEST LIMITED
NOTES TO FINANCIAL STATEMENTS
As at 30 September 2011

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial report is a special purpose financial report which has been prepared specifically for distribution to members in accordance with the entity's constitution. The directors have determined that the Company is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the *Corporations Act 2001*, and the recognition and measurement requirements of the following applicable Australian Equivalents to International Financial Reporting Standards:

AASB 101	Presentation of Financial Statements
AASB 107	Cash Flow Statements
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 110	Events after the Balance Sheet Date
AASB 1031	Materiality
AASB 1048	Interpretation and Application of Standards

No other Accounting Standards, Urgent Issues Group Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(b) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less.

(c) Trade and other receivables

Trade receivables are recognised and carried at original invoice amount less a provision for any uncollectible amounts. An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off as incurred.

Receivables from related parties are recognised and carried at the nominal amount due.

(d) Inventories

Inventories are measured at the lower of cost and net realisable value.

(e) Property, Plant and Equipment

Each class of property, leasehold buildings, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Depreciation

Depreciation is provided on a diminishing value basis on all plant and equipment, at rates calculated to allocate the cost, less estimated residual value, against revenue over the estimated useful lives of the assets.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The depreciation period used for each class of depreciable assets is:

Major depreciation periods are:	2011
Plant and Equipment	3 to 5 years (20% or 30%)
Leasehold Buildings	20 years (5%)

(f) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that are transferred to entities in the economic entity are classified as finance leases.

Leased incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(g) Trade and Other Creditors

Liabilities for trade creditors and other amounts are carried at cost which is the fair value of the consideration to be paid in the future for goods and services rendered, whether or not billed, to the entity.

Payables to related parties are carried at their principal amount.

(h) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

(i) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(j) Revenue Recognition

Revenue from the sale of goods and services is recognised upon the delivery of the good or service except for revenue generated from referees.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Player registration and team entry fees are recognised at the time of registration.

All revenue is stated net of the amount of goods and services tax (GST).

(k) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(l) Grants and Sponsorship Income

Grant and Sponsorship income is recognised in income when received from the granting authority. In order for the grant to be recognised in income, the following conditions must be satisfied:

- the entity must control the contribution or the right to receive the contribution.
- it is probable that the economic benefits will flow to the entity.
- the amount can be reliably measured.

If it is more than probable the contribution will be returned to the contributing authority then the grant contribution will be recognised as a liability.

(m) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(n) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the income statement over the period of the borrowings using the effective interest method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration is paid, including any non-cash assets transferred or liabilities assumed, is recognised in other income or other expenses.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

(o) Income Tax

Football West is exempt from income tax by virtue of Section 50 of the Income Tax Assessment Act 1997 (Cth).

DIRECTORS' DECLARATION
As at 30 September 2011

DECLARATION OF BY DIRECTORS

The directors have determined that the company is not a reporting entity and that these special purpose financial statements should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

The directors of the company declare that:

1. The financial statements, comprising the statement of comprehensive income, statement of financial position, statement of cash flows, statement of changes in equity, and accompanying notes, are in accordance with the Corporations Act 2001 and:
 - (a) comply with Accounting Standards as described in Note 1 to the financial statements and the Corporations Regulations 2001; and
 - (b) give a true and fair view of the company's financial position as at 30 September 2011 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
2. In the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors and is signed for and on behalf of the directors by:

For and on behalf of the board

The Hon. R.C. (Bob) Kucera, APM JP
Chairman

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FOOTBALL WEST LIMITED

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report of Football West Limited, which comprises the statement of financial position as at 30 September 2011, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the members.

The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Football West Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

BDO Audit (WA) Pty Ltd ABN 79 112 284 787 is a member of a national association of independent entities which are all members of BDO (Australia) Ltd ABN 77 050 110 275, an Australian company limited by guarantee. BDO Audit (WA) Pty Ltd and BDO (Australia) Ltd are members of BDO International Ltd, a UK company limited by guarantee, and form part of the international BDO network of independent member firms. Liability limited by a scheme approved under Professional Standards Legislation (other than for the acts or omissions of financial services licensees) in each State or Territory other than Tasmania.

Opinion

In our opinion the financial report of Football West Limited is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 30 September 2011 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1, and the *Corporations Regulations 2001*.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose.
