GENERAL INFORMATION

The financial report covers Football West Limited as an individual entity. The financial report is presented in Australian dollars, which is Football West Limited's functional and presentation currency.

The financial report consists of the financial statements, notes to the financial statements and the directors' declaration.

Football West Limited is a not-for-profit unlisted public company limited by guarantee, incorporated and domiciled in Australia. Its registered office and principal place of business are:

Registered office	Principal place of business
Gibbney Reserve	Gibbney Reserve
Ferguson Street	Ferguson Street
Maylands 6051	Maylands 6051
Western Australia	Western Australia

A description of the nature of the company's operations and its principal activities are included in the directors' report, which is not part of the financial report.

The financial report was authorised for issue, in accordance with a resolution of directors, on 15 November 2013. The directors have the power to amend and reissue the financial report.

FOOTBALL WEST LIMITED CHAIRMAN'S REPORT For the year ended 30 September 2013

It gives me great pleasure to present the Annual Report for 2012/2013, my first as Chairman of Football West.

The last 12 months have been successful on so many fronts and continued the fine work of my predecessors, our former Chairman the Hon Robert (Bob) Kucera, and before him our founding Chairman, Mr Kevin Campbell. I sincerely thank and commend both Bob and Kevin for establishing the solid foundations on which we are building a great organisation.

As you will see from the statements that follow, the financial position of Football West continues to improve and we are pleased to once more report a modest surplus. This is the fourth successive year we have achieved surplus while maintaining affordable membership fees. In light of this, I am pleased to say that the Board of Football West has recently decided not to increase fees for the 2014 season and approved the principal of any future increases being formally linked to CPI.

On another pleasing note, we have been able to invest in many new initiatives and activities to grow and support the game. You will see that our sponsorship and grant levels have increased, as we continue to progress alternative means to fund our business activities and decrease the reliance on our member funds.

Football West has posted record revenue in 2013 with a 14.3% rise in 12 months and an increase of 26.8% over four years. Registrations, up 5% on last year, are also at an all-time high and have risen 18.7% since 2010.

I recently took the opportunity to meet with Football Federation Australia Chairman Mr Frank Lowy to outline our challenges and concerns going forward, and to tell him about some of the wonderful things we are doing here in Western Australia. Mr Lowy was very receptive to our requests, and reflected an improved relationship and stronger engagement between FFA and Football West under new Chief Executive Officer Mr David Gallop. I expect this to increase in future years as we lobby for more recognition and inclusion in FFA activities and programs. I also congratulated Mr Lowy on the appointment as Socceroos coach of Ange Postecoglou and passed on our very best wishes for the 2014 FIFA World Cup in Brazil.

Similarly, Perth Glory and its owner, Tony Sage, and Chief Executive, Jason Brewer, continue to work well with the staff of Football West and I sincerely thank them for their support. Glory coach, Alistair Edwards, who is a former Glory player and ex-Football West staff member, has contributed significantly to the club on and off the field. Through Alistair's initiative, and that of two other WA greats Gareth Naven and Scott Miller, Glory took pre-season matches to the suburbs with games at Kwinana, Gosnells, Sorrento, Cockburn, and Stirling. One of the highlights of Glory's pre-season program was a Festival of Football, which pitted Glory against Melbourne Heart in games at Inglewood and Mandurah thanks to a grant Football West obtained through the Department of Sport and Recreation (DSR).

In recent years, Football West has increasingly developed a strong relationship with DSR and I am thankful to Director-General, Mr Ron Alexander, for the Department's assistance- both financial and otherwise - and am grateful also for the support of Minister for Sport, The Hon Terry Waldron and his office. I must also make special mention to the DSR consultant who oversees football, Mr Vince Del Prete. Vince is a regular at many of our functions, activities and events, and the relationship he has with the office, our Chief Executive, Peter Hugg, and many of our staff, is of immense benefit to both parties.

Similarly, another of our major government partners is Healthway. Earlier this year, Healthway demonstrated their support and commitment to Football West with an agreement to provide almost \$1 million in funding over three years. This valuable funding assists Football West to implement programs aimed at increasing participation and the development of the game. Healthway, through the Smarter than Smoking message, is also the major sponsor for the Perth Glory women's team. I sincerely thank Healthway and those officers who work with Football West to implement this successful sponsorship program.

I also want to acknowledge and thank the other commercial partners who work with us across our many programs. Bankwest continues to support our girl's and women's initiatives and our referee's development programs, while MySolar sponsors our Sunday League. Other key partners who invest significant funds are All Flags Signs and Banners, QBE, Select/Kelme through Evolution Sports, Optus, Goodlife Health and Fitness Centres, Vividwireless, 2XU, Cool Ridge Water, McInerney Ford, Veto, Bam Creative, The West Australian and Channel Nine. The ongoing investment shown by our partners is much appreciated.

O2 FOOTBALL WEST

FOOTBALL WEST LIMITED CHAIRMAN'S REPORT For the year ended 30 September 2013

My thanks and congratulations go to all our zone representatives and members of the various Standing Committees for their ongoing contribution to the sport. Indeed, all of our sport's wonderful volunteers - whether they be coaches, team managers, administrators, committee members, or referees - need to be recognised and commended for the many thousands of hours they collectively contribute freely and willingly to the management of the game. Without such volunteerism, the sport would not be where it is and would certainly be more expensive.

On the subject of those who contribute greatly to our sport, I am pleased that Football West was able to confer Life Membership on three true stalwarts of the game here in WA. At last year's AGM, the Members voted Ms Penny Tanner-Hoath, Mr John O'Connell and Mr Peter Koulizos into this small group of recipients worthy of our highest honour. My congratulations to Penny, John and Peter for their great contributions to our game.

The 2013 period marked the end of our previous three year Strategic Plan. In light of the achievements of the past years, and in recognising new priorities, the Board recently endorsed the refinement of this plan for the next three years. This revised Plan can be found later in this document. Our vision of making 'the world game, the local game' remains and we are all deeply committed to supporting 'anyone who wants to kick a football' (our mission).

In 2013, the number of registered participants on the FFA's National Database was 38,355 players, which was up on the 36,499 from the 2012 season.

Over the last 12 months, Football West launched a number of 'casual' football programs in partnership with Backpackers FC Ltd, some of which have been implemented under a pay-as-you-play system. Almost 600 casual football sessions have been conducted and these have attracted 1733 participants (1190 different players). This format is unrivalled across Australia and I am convinced this is how football will be increasingly offered in future.

In 2014, the National Premier Leagues (NPL) will be introduced to WA. Implemented by five other Member Federations across the country in 2013, the NPL will bring about some major and much-needed structural reform, such as compulsory coach accreditation and formalised governance, at our premier clubs. As a full complement of States and Territories will compete next season, we look forward to the excitement generated with the end-of-season NPL Finals Series. This will provide a WA club with an opportunity to compete against the country's best in a competition to become the NPL Club Champion of Australia.

Another exciting national initiative, which is just around the corner, is the long awaited launch of the FFA Cup. In time, this new competition will connect our amateur teams in regional areas right through to Perth Glory and other Hyundai A-League clubs, potentially generating the kind of 'Cinderella' stories for which Cup competitions are known.

On behalf of everyone at Football West, I would like to congratulate all teams for their successful season, and all teams and players for the manner in which they have competed over the year. The likes of Bayswater City and Stirling Lions in the Men's State League and Northern Redbacks and Beckenham Angels in the Women's competitions continue to set the standard and are the epitome of the game's best here in WA.

Congratulations, also, to the players and teams that have represented WA in the various State teams - at youth, regional or senior levels - and to those select few who have gone on to represent the country with pride at national level, particularly the Socceroos in this World Cup qualifying year.

Football West's development programs continue to produce great results with boys and girls teams excelling on the national stage. WA claimed overall honours at the boys' under-13 National Youth Championships, while the under-14 boys and under-13 girls won their respective groups. At the FFA National Institute Challenge, WA's Joel Rollinson and Jamal Reiners were selected in the under-15 All Stars team for their exceptional performances. Reiners was also the tournament's equal top scorer with six goals. I would like to extend my thanks to everyone involved in our technical programs for their hard work and dedication.

One of the priorities of the last 12 months has been regional development. I am pleased to say that with the support of DSR, Football West now assists in the employment of administrative and development officers in the Peel, South West and Great Southern areas of the state, and that positions in Geraldton, Broome and Karratha are to be established soon. We hope to have the state covered within the next 12 months.

Football West continues to receive national plaudits for work we are doing in social and new media, particularly with our online TV video show, Football 360. This highly professional show is viewed by an increasing audience and was complemented this year by a junior online show, Shoot, which was hosted by Perth Glory defender Matt Davies. Determined not to rest on our laurels, we will be launching new initiatives this year, including communicating to fans the great benefits of the NPL.

As many of you know, Football West undertook a unique and creative campaign - 'Every Family Needs a Home' - in the lead up to the WA State Election to argue for significant funding for a Home of Football. The campaign certainly put the need for such a headquarters for the sport front and centre, and I can assure you we will continue to work with the relevant authorities to achieve this aim.

The management of our office and its staff under the leadership of our Chief Executive Peter Hugg continues to develop, while a number of our communications activities and initiatives have improved with the employment of former The West Australian football journalist Jonathan Cook and Channel Nine professionals Dom Giorgi and Peter Kapsanis, who are very much behind Football 360.

I thank Peter and all office staff for their ongoing work and commitment in developing the game in WA.

It has also been an extreme pleasure to be Chair of a wonderful Board and I take this opportunity to acknowledge and thank each and everyone of my fellow Board members. They have remained incredibly supportive and dedicated to their portfolios and provide an immense contribution to the executive supervision of the game. I also want to acknowledge and thank former Board member Peter Rowe, who recently finished his two year tenure, and we welcome new Board member, Howard Gretton, who is already making a valuable contribution to the game. It is a pleasure and honour to be Chairman of this Board.

Finally, I sincerely thank you all for your ongoing dedication and support in helping us make 'the world game the local game'.

INFORMATION ON DIRECTORS

Liam Anthony Twigger - Chairman

Liam Twigger was appointed to the Chair of Football West Ltd on 31 January, 2013 when Bob Kucera stood aside to contest a seat in the State Election held in March this year. Mr Twigger has been a former WA State League player and a State representative at both senior and junior levels and previously played for Sorrento, Kingsway Olympic, Balga and Inglewood United (Kiev). He has over twenty years' experience in the fields of investment banking and corporate finance and was previously the head of Macquarie Bank Limited in Perth and Bankers Trust Investment Bank in Perth. He is currently Managing Director and Principal of PCF Capital Group, a boutique corporate advisory and investment banking firm focused on the mining sector. Mr Twigger was first appointed to the Football West board in December 2008.

FOOTBALL WEST LIMITED DIRECTORS' REPORT For year ended 30 September 2013

Sherif Andrawes - Director

Sherif Andrawes is the Chairman of accounting firm BDO (WA) and a member of the national board of BDO. Although born in Egypt he grew up in Scotland graduating from Glasgow University. Mr Andrawes commenced his career in 1987 with BDO in London before moving to Perth in 1997. He heads up the Corporate Finance team at BDO and is recognised as a leader in his field in Perth. Mr Andrawes has a long time involvement with the sport as a former President and Life Member of East Fremantle SC, Committee Member of Perth SC, as well as coach and player at a number of clubs. Mr Andrawes was elected as a Board member in July, 2012.

Henry Atturo - Director

Henry Atturo has spent over 30 years in the retail sector and has held a number of senior executive positions both in Australia and abroad with Coles Myer Ltd. For the past 12 years Mr Atturo has held the position of General Manager for Red Dot Stores here in WA. Over the past 18 years he has been heavily involved in grass roots football holding both coaching and administration roles ranging from juniors, youth and Premier leagues. Mr Atturo has played Amateur football and until recently has been an active player in the Masters League. Mr Atturo's extensive retail business background coupled with his experience in grass roots football in this state provides a broad range of skills to the board.

Howard Eric Gretton - Director

Mr Gretton is a career journalist having spent more than 30 years in the media and is currently the News Director at Seven Perth. Mr Gretton has had a very successful career in the media, firstly completing his cadetship at the ABC and winning the Paul Tonkin Memorial Prize for Australian Radio and TV cadets. Over the last three decades he has been a freelance correspondent in London, a crime reporter and Senior News Producer. He produced the Seven Network's news coverage at the 2010 World Cup in South Africa and was elected to the Board of Football West on 27 August, 2013. He will oversee the media and communications portfolio.

The Honourable Robert Charles (Bob) Kucera, APM JP - Director

Mr Kucera immigrated to Australia in 1964 at the age of 20 after being born in Cardiff, Wales in 1944. Upon entering the WA Police, Mr Kucera steadily rose through the ranks from Officer to Detective Inspector before later serving as Assistant Commissioner of Police from 1996 - 2001. Mr Kucera retired from Police duty in 2001 to contest the State election and was elected to the Legislative Assembly in the electorate of Yokine as a member of the Australian Labor Party. Mr Kucera's first two years in parliament were as Health Minister before managing the portfolios of Sport & Recreation, Tourism, Small Business and Disability Services amongst others. Mr Kucera is responsible for the Home of Football/Centre for Excellence and was re-elected by voting members at the 2010 AGM and voted in as Chairman at the first meeting of 2011 a position he held until 31 January, 2013 when he stood aside to contest a seat in the State Election in March 2013.

Anna Maria Liscia - Director

Anna Liscia is a decorated legal practitioner in WA, having worked as a senior solicitor for Stone James & Co / Mallesons Stephen Jacques for over ten years before forming her own legal consultancy business in 1993. Ms Liscia recently formed a new boutique legal and consultancy practice specialising in commercial work for the resource sector and corporate governance issues with Indigenous businesses, Liscia Legal. Ms Liscia is a member of the Legal Practice Board of WA since 1999, being the Convenor of the Management Committee and served as its Chairperson from 2007 to 2012. Ms Liscia has also been involved with Perilya Limited, Connecting Communities Home Care Inc, Ngarda Ngarli Yarndu Foundation Inc., Women Lawyers of WA Inc, the Energy Review Board and the State Administrative Tribunal. Ms Liscia is responsible for risk management and corporate governance issues for Football West.

Robert Andrew MacKay - Director

Rob MacKay has played amateur level football for more than 20 years and remains an active club player. This is complemented with more than fifteen years' experience in both grass roots football administration and in coaching, and a broad knowledge of both amateur and social football. Mr MacKay was previously a board member of the Western Australian Amateur and Social Soccer Association (WAASSA) and is a long serving manager with Telstra. Mr MacKay was re-appointed to the Football West board in March 2007 for a four year term. Mr MacKay is responsible for the Amateur, Social & Masters portfolio and was re-elected by voting members at the 2010 AGM.

Peter John Rowe - Director

Peter was appointed to the Board on 3 June 2011 when he moved to Perth to take up a position with The West Australian as Senior News Editor. On the 3 June 2013 Mr Rowe's term as a member of the Board expired and he chose not to re-nominate. Peter was a valued member of the Board and during his term he oversaw the Public Relations, Media and Communications portfolio of Football West.

Janette Caroline Spencer - Director

Janette Spencer has a strong background in women's soccer, having been the President of Women's Soccer WA for eight years, Director of Development for the Australian Womens Soccer Association and the first acting chair of the FFA's Women's Standing Committee. Janette played at state level during the late eighties and was a key member of the very successful Masters team, the Perth Strikers, that enjoyed great success winning medals at Australian and World Masters Games during the late nineties and early 2000's. Janette's professional background is in Management and she currently holds the position of Executive Manager Community Services, Perth Home Care Services. Prior to this position Ms Spencer worked as the Manager, Community Development at the City of Subiaco and Senior Manager Projects and Member Services at Volunteering WA and spent ten years with the Department of Sport and Recreation primarily as a sport consultant to some 22 State Sport Associations. Ms Spencer is responsible for the Women's portfolio.

Max Meikle - Company Secretary and Chief Financial Officer

Max Meikle is a Certified Practicing Accountant, a Fellow of the Taxation Institute of Australia and a Senior Associate of the Financial Services Institute of Australia. He has over 30 years' experience in the Banking and Finance Industry and has been performing the secretarial duties since 1 December 2011. Prior to joining Football West, Max held a similar position with the Clontarf Foundation for over 4 years.

CONTRIBUTIONS ON WINDING UP

In the event of the company being wound up, ordinary members are required to contribute a maximum of \$20 each.

The total amount that members of the company are liable to contribute if the company is wound up is \$60, based on three first members.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

The company has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Basis of preparation

In the directors' opinion, the company is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the Corporations Act 2001 requirements to prepare and distribute financial statements to the members of Football West Limited. The directors have determined that the accounting policies adopted are appropriate to meet the needs of the members of Football West Limited.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1031 'Materiality', AASB 1048 'Interpretation and Application of Standards' and AASB 1054 'Australian Additional Disclosures', as appropriate for not-for-profit oriented entities.

Historical cost convention

The financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 1 l.

The financial statements were authorised for issue on 12 November 2013 by the directors of the company.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Policies

a. Revenue

Non-reciprocal grant revenue is recognised in the statement of comprehensive income when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Football West Limited receives non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in the statement of comprehensive income.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised as it accrues using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue from the sale of goods and services is recognised upon the delivery of the good or service except for revenue generated from referees.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Player registration and team entry fees are recognised at the time of registration Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

b. Inventories on Hand

Inventories are measured at the lower of cost and current replacement cost.

Inventories acquired at no cost, or for nominal consideration, are valued at the current replacement cost as at the date of acquisition.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

c. Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value, less, where applicable, accumulated depreciation and any impairment losses.

i. Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and any impairment losses. The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Plant and equipment that have been contributed at no cost, or for nominal cost, are recognised at the fair value of the asset at the date it is acquired.

ii. Depreciation

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

iii. Class of Fixed Asset Depreciation Rate

Plant and equipment 20% - 30%

Leasehold Building 5%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised immediately in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

d. Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset but not the legal ownership, that are transferred to entities in the economic entity are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the lease term.

e. Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash outflows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows attributable to employee benefits.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

f. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

g. Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from donors and any outstanding grants receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

h. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

i. Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

j. Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When an entity applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements, a statement of financial position as at the beginning of the earliest comparative period must be disclosed.

k. Accounts Payable and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amount being normally paid within 30 days of recognition of the liability.

I. Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company. At the reporting date there was no accounting estimates and judgements requiring evaluation by the directors.

m. New standards and interpretations issued but not yet effective

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the company. The company has decided not to early adopt any of the new and amended pronouncements. The company's assessment of the new and amended pronouncements that are relevant to the company but applicable in future reporting periods is set out below:

AASB 9: Financial Instruments (December 2010) and AASB 2010-7: Amendments to Australian Accounting Standards arising from AASB 9 (December 2010).

These Standards are applicable retrospectively and include revised requirements for the classification and measurement of financial instruments, as well as recognition and derecognition requirements for financial instruments.

The key changes made to accounting requirements include:

- simplifying the classifications of financial assets into those carried at amortised cost and those carried at fair value;
- simplifying the requirements for embedded derivatives;
- removing the tainting rules associated with held-to-maturity assets;
- removing the requirements to separate and fair value embedded derivatives for financial assets carried at amortised cost;
- allowing an irrevocable election on initial recognition to present gains and losses on investments in equity instruments that are not held for trading in other comprehensive income. Dividends in respect of these investments that are a return on investment can be recognised in the statement of comprehensive income and there is no impairment or recycling on disposal of the instrument;
- requiring financial assets to be reclassified where there is a change in an entity's business model as they are initially classified based on: (a) the objective of the entity's business model for managing the financial assets; and (b) the characteristics of the contractual cash flows; and

ANNUAL REPORT 2013

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

AASB 9: Financial Instruments (December 2010) and AASB 2010-7: Amendments to Australian Accounting Standards arising from AASB 9 (December 2010). (Continued)

- requiring an entity that chooses to measure a financial liability at fair value to present the portion of the change in its fair value due to changes in the entity's own credit risk in other comprehensive
- income, except when that would create an accounting mismatch. If such a mismatch would be created or enlarged, the entity is required to present all changes in fair value (including the effects of changes in the credit risk of the liability) in the statement of comprehensive income.

These Standards were mandatorily applicable for annual reporting periods commencing on or after 1 January 2013. However, AASB 2012-6: Amendments to Australian Accounting Standards - Mandatory Effective Date of AASB 9 and Transition Disclosures (issued September 2012) defers the mandatory application date of AASB 9 from 1 January 2013 to 1 January 2015. In light of the change to the mandatory effective date, the company is expected to adopt AASB 9 and AASB 2010-7 for the annual reporting period ending 30 September 2016. Although the directors anticipate that the adoption of AASB 9 and AASB 2010-7 may have a significant impact on the company's financial instruments, it is impracticable at this stage to provide a reasonable estimate of such impact.

AASB 13: Fair Value Measurement and AASB 2011-8: Amendments to Australian Accounting Standards arising from AASB 13 (applicable for annual reporting periods commencing on or after 1 January 2013).

AASB 13 defines fair value, sets out in a single Standard a framework for measuring fair value, and requires disclosures about fair value measurement.

AASB 13 requires:

- inputs to all fair value measurements to be categorised in accordance with a fair value hierarchy;
- enhanced disclosures regarding all assets and liabilities (including, but not limited to, financial assets and financial liabilities) to be measured at fair value.

These Standards are expected to result in more detailed fair value disclosures, but are not expected to significantly impact the amounts recognised in the company's financial statements.

AASB 2012-2: Amendments to Australian Accounting Standards - Disclosures - Offsetting Financial Assets and Financial Liabilities (applicable for annual reporting periods commencing on or after 1 January 2013).

AASB 2012-2 principally amends AASB 7: Financial Instruments: Disclosures to require entities to include information that will enable users of their financial statements to evaluate the effect or potential effect of netting arrangements, including rights of set-off associated with the entity's recognised financial assets and recognised financial liabilities, on the entity's financial position.

This Standard is not expected to significantly impact the company's financial statements.

AASB 2012-3: Amendments to Australian Accounting Standards - Offsetting Financial Assets and Financial Liabilities (applicable for annual reporting periods commencing on or after 1 January 2014).

This Standard adds application guidance to AASB 132: Financial Instruments: Presentation to address potential inconsistencies identified in applying some of the offsetting criteria of AASB 132, including clarifying the meaning of "currently has a legally enforceable right of set-off" and that some gross settlement systems may be considered equivalent to net settlement.

This Standard is not expected to significantly impact the company's financial statements.

DECLARATION BY DIRECTORS

The directors have determined that the company is not a reporting entity and that these special purpose financial statements should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

The directors of the company declare that:

- The financial statements, comprising the statement of comprehensive income, statement of financial position, statement of cash flows, statement of changes in equity, and accompanying notes, are in accordance with the Corporations Act 2001 and:
 - (a) comply with Accounting Standards as described in Note 1 to the financial statements and the Corporations Regulations 2001; and
 - (b) give a true and fair view of the company's financial position as at 30 September 2013 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
- 2. In the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors and is signed for and on behalf of the directors by:

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FOOTBALL WEST LIMITED

We have audited the accompanying financial report, being a special purpose financial report, of Football West Limited ("the company"), which comprises the statement of financial position as at 30 September 2013; the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory notes and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Corporations Act 2001 and is appropriate to meet the needs of the members.

The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

27

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of Football West Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

Opinion

In our opinion the financial report of Football West Limited is in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the company's financial position as at 30 September 2013 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and the Corporations Regulations 2001.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose.
