- 34.4 Irrespective of any other Rule to the contrary, in the event that a Match is ended in a manner inconsistent with these Rules due to inclement or extreme weather (including for example, by extra time rather than proceeding directly to kicks from the Penalty mark, or vice versa), Football West may allow the Match result to stand if it is satisfied (in its absolute discretion) that the Match was concluded in a manner consistent with the Laws of the Game. If Football West determines that allowing the Match result to stand would result in an unfair result, the entire Match will be replayed. The decision of Football West in these circumstances is final and cannot be challenged.

In such a circumstance, Football West may determine the Match forfeited for the Team with the reduced number of Players or may require some other form of remedial action as it sees fit.
- 36.8 **Rescheduling a Postponed Match**
- 36.8.1 A Match Postponed in accordance with Rule 36.1 may only be rescheduled:
- 36.8.1.1 at a date, time and venue mutually agreed by both Clubs (with details of the rearranged Match to be communicated to Football West at least three (3) Business Days prior to the Match); or'

- 36.8.3 If a Postponed Match cannot be rescheduled in accordance with Rule 36.8.1, or cannot be completed for any other reason, Football West reserves the right to declare the Match a 0-0 draw or impose a forfeit on a Club that Football West deems responsible for the Postponement.
- 36.9 **Rescheduling an Abandoned Match**
- 36.9.1 If a Match is Abandoned for any reason prior to half time, then the Match will be replayed, unless, in the opinion of the Match Official, one or both of the participating Teams have caused or contributed to the abandonment of the Match or unless otherwise specified in these Rules or accompanying Annexures.
- 36.9.2 If a Match is Abandoned at half time or after the commencement of the second half, then the score at the time of the abandonment of the Match will be deemed to be the Match result, unless, in the opinion of the Match Official, one or both of the participating Teams or a Club Associate from one of the participating Teams caused or contributed to the abandonment of the Match. If the Match Official

does not express an opinion on the party responsible for the Abandonment, Football West may make a decision as to which party or parties are responsible for the Abandonment and may impose a penalty on one or both Clubs, or Players or impose some other remedial action for the offending party.

- 36.9.3 Rules 36.9.1 and 36.9.2 do not apply to the MiniRoos League. Abandoned Matches in the MiniRoos League will not be replayed under any circumstances. Where results are recorded by Football West, the result will stand as it was at the time of the Abandonment.
- 36.9.4 If a Match is Abandoned, and that Match is one where an outcome must be determined (for example a knock out Cup Match) and at the time of the abandonment scores are level, then that Match will be replayed in full, unless in the opinion of the Match Official, one or both of the participating Teams or a Club Associate from one or both of the participating Teams caused or contributed to the Abandonment. If the Match Official does not express an opinion on the party responsible for the Abandonment, Football West may make a decision as to which party or parties are responsible for the Abandonment and may impose a penalty on one or both Clubs, or Players or impose some other remedial action for the offending party.
- 36.9.5 An Abandoned Match which is to be replayed can be rescheduled only:

In addition, any Club which forfeits their First Team and another Team in that Competition (such as Reserves) shall have 6 competition points deducted from the First Team and the fine shall be doubled for both teams.

37.2 Consequences for results and Match Data

37.2.1 The result of a forfeited Match will be awarded to the opposition Team by a margin of 3-0, unless that score disadvantages the non-offending Team (including where the non-offending Team has a margin of goals greater than three (3) at the point at which the Match is abandoned).

37.2.2 In circumstances in which Football West determines that both Teams participating in a Match commit a breach of any Rule which carry the sanction of a forfeit, Football West reserves the right to declare the Match played, and award each Team zero points and zero goals, or if that Match occurs in a knockout Competition, disqualify both Teams from that Competition.

For example, if a Player who is under suspension scores a goal in a Match, and that Player is responsible for conduct which leads to that Team forfeiting the Match, that goal will not be counted towards that Player's Season goal tally.

37.3 If a Team that forfeits three (3) consecutive Matches or any four (4) Matches during a Competition Season, Football West may at its absolute discretion, deem that relevant Team to have withdrawn from the Competition. Such withdrawal does not automatically cause the withdrawal of the other Teams within that Club from any other Competition or division, but Football West may impose such conditions on the continuing participation of that relevant Club as it sees fit to preserve the integrity of the Competitions.

- 70.2.8 When a Match is shortened in accordance with Rule 70.2.7 each Match Official is entitled to receive the full amount of his normal Match Official fee.
- 70.2.9 No time may be added in any Match to the end of each period for stoppages or injuries. For the avoidance of doubt, a failure by the Match Official to enforce this rule does not alter the Match result, even if a goal is scored in additional time.

- 70.3.1 Football West may nominate Players from any Club of its choosing to participate in Representative Matches during a Competition Season.
- 70.3.2 If a JCL Team has three (3) or more Players or a JDL Team has four (4) or more outfield Players or two (2) goalkeepers participating in a Representative Match, it may seek the postponement of any Club Match which conflicts with the Representative Match. 70.4.1 All Matches must be played on either natural or artificial grass.

70.5 **Players**

70.5.2 A request for a Player to participate in an age group other than that age group for which that Player is eligible must be made via application to Football West.

70.5.3 Regardless of the eligible years below, which create a presumption that a Player may participate in those age groups, a Player seeking to participate in an age group more than one year older than that Player's actual age, for example, a 13 year old seeking to play Under 15s, must be made in writing to Football West in accordance with the Football West Play Up Process [here](#). Such a request may be granted after the Player has been assessed by Football West. Until such time as Football West approves the request in writing, the Player is ineligible to participate in the requested age group.

No such request will be granted until it has been assessed by Football West, and the Player is ineligible to participate in the requested age group until written notification has been received from Football West. Conditions that may affect performance intermittently or that can be remedied through conventional medication, visual aids, hearing implants or other means will not be considered. A new exemption must be applied for each year by the relevant Player.

70.5.5 If an exemption is based on a Player's physical size, a growth index chart signed by a medical professional will be required.

70.5.6 Applications are required to be submitted each Competition Season. Applications from a prior Competition Season will not be accepted and do not carry through to a new Competition Season. For clarity, a new application must be submitted each year so that a Player can be re-assessed by Football West.

70.5.7 If a Club has two Teams within the same Division, a maximum of two (2) Players may play in the other Team within that Division. For clarity this does not need to be the same two (2) Players each week.

70.5.8 If a Club has multiple Teams within the same age group, Players are eligible to play for any Team in that age group; however, a Player may only play for one Team per match week within that age group. For example, if a Club has teams in Under 14s JDL 1, JDL 3 and JDL 5, a Player may play for any one of those Teams on a given weekend but may not play for more than one Team in the same match week.

Example: *If a Club has Teams in Under 14s JDL 1, JDL 3, and JDL 5, a Player may play for any one of these Teams on a given weekend, but cannot play for multiple Teams (e.g., cannot play in both JDL 1 and JDL 3 in the same match week).*

70.5.9 A Player eligible for a lower age group may only play for the highest-ranked Team within that age group in the same Competition, subject to any Competition-specific player movement rules.

Example: *If a Club has Teams in Under 14s JDL 3, Under 13s JDL 2, and Under 13s JDL 4—a Player from the Under 14s JDL 3 team may move down to the Under 13s but can only play for the Under 13s JDL 2 team, not the Under 13s JDL 4 team.*

70.5.10 A Player that normally plays in a Senior Competition but is age eligible for a Junior Competition may play for the age eligible Team in the Junior Competition subject to any Competition specific player movement rules.

70.5.11 If there is disagreement about the Team in which any such Player normally plays, Football West will make a determination in its absolute discretion, and any such determination is final.

70.5.12 A Player who is age eligible to play MiniRoos Matches but competes in the Junior League must have a photograph on their PlayFootball registration card.

70.5.13 A Player participating in the Junior Competition, who is subject to a Suspension, will not have their name disclosed on the Suspension list published on the Football West website. Instead, the suspended Player will be identified solely by their FA number. If there is a need for clarification regarding the suspended Player's identity, a Club may contact Football West for additional information. Football West reserves the right to disclose the Player's identity at its absolute discretion and in accordance with the Member Protection Framework.

70.5.14 A Player who is age-eligible for two age groups may participate in both age groups within the same match week.

70.5.15 A player who participates in an age group below their usual team may only represent the highest-ranked team of the Club in that lower age group.

70.5.16 The provisions in Rule 70.5.14 and 70.5.15 do not apply during Match week nine (9) and Match week eighteen (18) of the competition.

- 70.6.3 Clubs will be able to enter Teams into the relevant JDL Divisions, but no Club may field more than one Team in the same Division. No exemptions will be granted to this rule.
- 70.6.4 Football West will consider a Team's finishing position for that Competition Season in each relevant Division to properly assign a Team to an appropriate League and Division in the following Competition Season.
- 70.6.5 The order in which a Team finishes the Competition section or Season will be determined by the Competition format as specified in Rule 17.
- 70.6.6 To be eligible for entry into the JDL Under 13s Competition for 2027 Clubs will need to field a Miniroos Under 12s team in 2026.
- 70.6.7 In the JDL Girls Competition Teams will be ranked in their respective Divisions according to the number of Competitions points they accrue over a relevant Competition Season.

- 70.6.9 The JDL Boys Competition will be split into two sections comprising of 9 Matches, each being Section A and Section B.
- 70.6.10 Wherever possible, Competitions will be structured so that each Team in a Division plays each other Team in that Division on an equal number of occasions. However, in circumstances where it is not possible to facilitate fixtures in this way, Football West will design a Match schedule which is, in its absolute discretion, equitable to all the Teams concerned.
- 70.6.11 Football West will use its best endeavours to ensure that an equal number of Matches are played by each Team in a Division. In circumstances where an equal number of Matches are not able to be played by each Team in that Division, Football West may, in its absolute discretion, implement an alternative system of ranking for the Teams that are competing in that Division.
- 70.6.12 In the JDL Boys Competition, an additional Football West Academy boys' team will be included in the highest Division of each age group.
- 70.6.13 Promotion and relegation:
- 70.6.13.1 Promotion and relegation will occur:
- 70.6.13.2 in JDL Boy's Competition after **Section A** and **Section B**; and
- 70.6.13.3 in JDL Girl's Competition at the end of the **Competition Season**.
- 70.6.13.4 The Straight Model – Two Teams will be used for relegation from the higher Divisions and promotion from the lower Divisions of the

JDL Competition. (No promotion occurs from the highest Division in JDL, and no relegation occurs from the lowest Division in JDL.)

- 70.6.13.5 At the conclusion of **Section A** of the JDL Boys Competition, after teams have been promoted or relegated to their new Division, all teams will start **Section B** with **0 points**.

- 70.6.13.8 If a Club earns promotion to a higher Division but already has a Team in that Division, the promotion will not take place. As a result, the **2nd lowest-ranked Team** in the higher Division will **not** be relegated, subject to Rule 70.6.13.5.

Example: *If a Team finishes 2nd in JDL Division 2, but the Club already has a Team in Division 1, the promotion will not occur, and the 2nd lowest-ranked Team in Division 1 will retain its place.*

- 70.6.13.9 If a Club is relegated to a lower Division and already has a Team in that lower Division, both Teams will be relegated.

Example 1: *A Team finishes 9th in Division 2, and the same Club has another Team in Division 3 that did not finish in a promotion or relegation position. In this case, both the Division 2 and Division 3 Teams will be relegated to Divisions 3 and 4, respectively. The Team that finished second last in Division 3 will not be relegated.*

Example 2: *A Club has Teams that finish as follows:*

9th in Division 1

6th in Division 2

1st in Division 3

In this scenario, all three Teams will be relegated to the next lowest Division. The Teams that finished second last in Divisions 2 and 3 will not be relegated.

- 70.6.14 The Football West Academy teams in each group will compete for competition points in Division 1 but will be ineligible to be crowned champions or relegated at the end of each competition Section.

- 70.6.14.1 If the FA/FW Academy team finishes **first**, the next highest-ranked team will be declared champions.

70.7.5 Wherever possible, Competitions will be structured so that each Team in a Division plays each other Team in that Division on an equal number of occasions. However, in circumstances where it is not possible to facilitate fixtures in this way, Football West will design a Match schedule which is, in its absolute discretion, equitable to all the Teams concerned.
