## Football West Social Media Policy

Football West acknowledges the emergence of new technology and communication mediums (Social Media) and allows its use to benefit football and its participants.

However, all football participants must be mindful of the possibility of Social Media being used inappropriately. Inappropriate use may occur unintentionally or when participants do not realise comments, once published, are in a public forum, and are difficult to retract.

### Social Media platforms include:

- social networking sites, including Facebook, MySpace and LinkedIn;
- video and photo sharing websites including Flickr and YouTube;
- micro-blogging sites such as Twitter;
- weblogs including personal blogs or blogs hosted by traditional media publications;
- forums and discussion boards including those operated by Fox Sports, FourFourTwo, The World Game or, locally, The Bayswater Forum and Glory Boys;
- online encyclopaedias, such as Wikipedia; and
- any other web site that allow individual users or companies to use simple publishing tools.

### Football West recommends that users of Social Media:

- do not include personal information of yourself or others in Social Media channels;
- do not use offensive, provocative or hateful language in Social Media channels;
- use your best judgment – do not publish something that makes you uncomfortable, and never write/ publish if you are feeling emotional or upset (or are intoxicated);
- always ask for a person's permission before posting their picture on Social Media platforms;
